

Follow up reports on the action taken And Outcome Analysis

General complains were very effectively solved by our concerned faculties.

Some of the complains are

Attendance of the students: Faculties informed parents about their ward's attendance whose was less.

Canteen Issue: Occasionally there was problem related with quality, then faculties enquired about it and asked the mess manager to maintain the quality of the food

Hostel Issue: The hostel issues were solved by discussion with the hostel rector and concerned committee members, regarding water, cleanliness, discipline etc

Performance of the students: Faculties updated the Parents regarding the performances of their ward after every exam.

Classroom Issncs: In some classes the voice of the teacher was not audible then arrangement for the mie system was made.

Health Issue: Faculties informed parents regarding health issue of their ward before starting treatment.

Official issnc: Faculties informed our office superintendent and solved problems.

Extracnrriclar activity: Faculties urged parents to boost up their ward for participating in cultural programme and sports and Yoga activities.
