Details of activities towards maintenance of quality

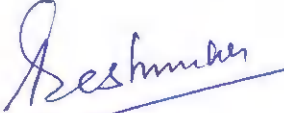

In Ayurveda & in specifically Balrog we conduct following Panchakarma. Mruduvirechana, Basti, Nasya, Shirodhara, Snehan, Swedan, Pindswed etc. For quality treatment following points are noted.

- There is separate male & female Panchakarma section.
- There is good ventilation with all antiseptic precautions during procedures.
- There is separate male & female IPD section after Panchakarma.
- All equipments used in procedures are in well condition, well autoclaved & sterile.
- Medicines are stored in airtight jars.
- All medicines are fresh, collected in recommended Ritus according to Samhita-Grantha.
- Ayurvedokta siddha tailla, ghruta, medicines are prepared according to Samhita-Granth in our Tulasi Pharmacy.
- In this Covid-Pandemic we follow all rules & regulations mentioned by government during each & every procedure.

Details of training content, freq. of training, skill development programme of therapists

- We arrange trainings to therapists after each six months to update the knowledge.
- This above training is given by our staff.
- In this training we give information about specifically Bal-Panchakarma snehan, swedan, pindaswed, shirodhara, nasya, mruduvirechan, matra-basti. Indication, contraindication, poorwakarma, pradhankarma, pashyatkarma, adverse effect, doses of medicines of each panchakarma are explained.

- During orientation program of interns there should be lect. Arranged by Balrog Dept. for only Panchakarma in Kaumarbhritya & also one day workshop (practical view) foe intern. So they can be easily trained during internship in Balrog OPD.
- There should be certificate course for about 6 months for therapists. (3 mths lects + 3 mths practical). So they can also train. We can improve our quality of treatment without any complications. After the completion of this course only therapists should be appointed.
- Three monthly training should be there for update knowledge.
- There should be monthly meetings between Balrog Dept. staff & employe of Panchakarma.
- There should be educational trip or visit to another well known Panchakarma centre for enhancement of knowledge & quality of work.
- During workshop videos of proper Panchakarma procedure should be presented for staff & therapists.
- Research work related to Panchkarma should be allotted compulsory to each & every P.G. student.
