Government of India

Ministry of Women & Child Development

20th August, 2022

Dear Sanjay,

As you are aware, POSHAN Abhiyan launched by the Hon'ble Prime Minister aims to achieve improvement in the status of nutrition of both children and women. Jan Andolan and community mobilization are essential components for effective implementation of Poshan Abhiyan. In order to strengthen the efforts made by the Government to address malnutrition and for involving masses through Jan Andolans, Poshan Maah and Pakhwada are celebrated every year by Ministry of Women and Child Development with the involvement of all stakeholders including Partner Ministries/ Departments. Since the launch of POSHAN Abhiyaan in March 2018, these events have helped in reaching out to communities through the nation's biggest nutrition-centric annual Jan Andolans and more than 40 crore sensitisation and awareness activities have been successfully conducted with joint participation of all.

2. To celebrate POSHAN Maah, theme-based activities are conducted across the country throughout the month of September. For this year's Poshan Maah scheduled in September 2022, the focus is to activate *Poshan Panchayats*- making the Sarpanch and the Gram Panchayat at the village level as the fulcrum of activities, thus converting *Jan Andolan* into *Jan Bhagidari*. It is envisaged that the Jan Bhagidari for Poshan will be activated through the Gram Panchayat and the various Starling Committees of the Gram Panchayats.

3. The activities during the month will be centred around the following key themes:-

- (i) *Mahila and Swasthya*
- (ii) *Bacha and Shiksha- Poshan bhi Padhai Bhi*
- (iii) Gender Sensitive Water Conservation and Management
- (iv) Traditional Foods for Women and Children in Tribal Areas

The detailed calendar of suggested activities for the Poshan Maah is enclosed.

4. In this regard, a meeting was held on 05.08.2022 with Partner Ministries/Departments to sensitise the Partner Ministries about the themes and the activities/events to be held during the Rashtriya Poshan Maah 2022.

5. In order to make the Rashtriya Poshan Maah a grand success with the support of all the stakeholders, I request that necessary preparatory activities may be initiated. Further, valuable inputs / suggestions on activities to be conducted during the Poshan Maah 2022 may be shared with this Ministry in the following email id, reshma.nair@gov.in. I am grateful for your constant support in the endeavour to realise the goal of a 'Suposhit Bharat'.

With Regards,

Yours sincerely

Government of India

Ministry of Women & Child Development

20th August, 2022

Dear Sanjay,

As you are aware, POSHAN Abhiyan launched by the Hon'ble Prime Minister aims to achieve improvement in the status of nutrition of both children and women. Jan Andolan and community mobilization are essential components for effective implementation of Poshan Abhiyan. In order to strengthen the efforts made by the Government to address malnutrition and for involving masses through Jan Andolans, Poshan Maah and Pakhwada are celebrated every year by Ministry of Women and Child Development with the involvement of all stakeholders including Partner Ministries/ Departments. Since the launch of POSHAN Abhiyaan in March 2018, these events have helped in reaching out to communities through the nation's biggest nutrition-centric annual Jan Andolans and more than 40 crore sensitisation and awareness activities have been successfully conducted with joint participation of all.

2. To celebrate POSHAN Maah, theme-based activities are conducted across the country throughout the month of September. For this year's Poshan Maah scheduled in September 2022, the focus is to activate Poshan Panchayats- making the Sarpanch and the Gram Panchayat at the village level as the fulcrum of activities, thus converting Jan Andolan into Jan Bhagidari. It is envisaged that the Jan Bhagidari for Poshan will be activated through the Gram Panchayat and the various Starling Committees of the Gram Panchayats.

3. The activities during the month will be centred around the following key themes:-

- (i) Mahila and Swasthya
- (ii) Bacha and Shiksha- Poshan bhi Padhai Bhi
- (iii) Gender Sensitive Water Conservation and Management
- (iv) Traditional Foods for Women and Children in Tribal Areas

The detailed calendar of suggested activities for the Poshan Maah is enclosed.

4. In this regard, a meeting was held on 05.08.2022 with Partner Ministries/Departments to sensitise the Partner Ministries about the themes and the activities/events to be held during the Rashtriya Poshan Maah 2022.

5. In order to make the Rashtriya Poshan Maah a grand success with the support of all the stakeholders, I request that necessary preparatory activities may be initiated. Further, valuable inputs / suggestions on activities to be conducted during the Poshan Maah 2022 may be shared with this Ministry in the following email id, reshma.nair@gov.in. I am grateful for your constant support in the endeavour to realise the goal of a 'Suposhit Bharat'.

With Regards,

Yours sincerely

Government of India

Ministry of Women & Child Development

20th August, 2022

Dear Sanjay,

As you are aware, POSHAN Abhiyan launched by the Hon'ble Prime Minister aims to achieve improvement in the status of nutrition of both children and women. Jan Andolan and community mobilization are essential components for effective implementation of Poshan Abhiyan. In order to strengthen the efforts made by the Government to address malnutrition and for involving masses through Jan Andolans, Poshan Maah and Pakhwada are celebrated every year by Ministry of Women and Child Development with the involvement of all stakeholders including Partner Ministries/ Departments. Since the launch of POSHAN Abhiyaan in March 2018, these events have helped in reaching out to communities through the nation's biggest nutrition-centric annual Jan Andolans and more than 40 crore sensitisation and awareness activities have been successfully conducted with joint participation of all.

2. To celebrate POSHAN Maah, theme-based activities are conducted across the country throughout the month of September. For this year's Poshan Maah scheduled in September 2022, the focus is to activate *Poshan Panchayats*- making the Sarpanch and the Gram Panchayat at the village level as the fulcrum of activities, thus converting *Jan Andolan* into *Jan Bhagidari*. It is envisaged that the Jan Bhagidari for Poshan will be activated through the Gram Panchayat and the various Starling Committees of the Gram Panchayats.

3. The activities during the month will be centred around the following key themes:-

- (i) *Mahila and Swasthya*
- (ii) *Bacha and Shiksha- Poshan bhi Padhai Bhi*
- (iii) Gender Sensitive Water Conservation and Management
- (iv) Traditional Foods for Women and Children in Tribal Areas

The detailed calendar of suggested activities for the Poshan Maah is enclosed.

4. In this regard, a meeting was held on 05.08.2022 with Partner Ministries/Departments to sensitise the Partner Ministries about the themes and the activities/events to be held during the Rashtriya Poshan Maah 2022.

5. In order to make the Rashtriya Poshan Maah a grand success with the support of all the stakeholders, I request that necessary preparatory activities may be initiated. Further, valuable inputs / suggestions on activities to be conducted during the Poshan Maah 2022 may be shared with this Ministry in the following email id, reshma.nair@gov.in. I am grateful for your constant support in the endeavour to realise the goal of a 'Suposhit Bharat'.

With Regards,

Yours sincerely

Jan Andolan and community mobilization are essential components for effective implementation of Poshan Abhiyan. In order to strengthen the efforts made by the Government to address malnutrition and for involving masses through Jan Andolans, Poshan Maah and Pakhwada are celebrated every year by Ministry of Women and Child Development with the involvement of all stakeholders including Partner Ministries/ Departments. Since the launch of POSHAN Abhiyaan in March 2018, these events have helped in reaching out to communities through the nation's biggest nutrition-centric annual Jan Andolans and more than 40 crore sensitisation and awareness activities have been successfully conducted with joint participation of all.

2. To celebrate POSHAN Maah, theme-based activities are conducted across the country throughout the month of September. For this year's Poshan Maah scheduled in September 2022, the focus is to activate *Poshan Panchayats*- making the Sarpanch and the Gram Panchayat at the village level as the fulcrum of activities, thus converting *Jan Andolan* into *Jan Bhagidari*. It is envisaged that the Jan Bhagidari for Poshan will be activated through the Gram Panchayat and the various Starling Committees of the Gram Panchayats.

3. The activities during the month will be centred around the following key themes:-

- (i) *Mahila and Swasthya*
- (ii) *Bacha and Shiksha- Poshan bhi Padhai Bhi*
- (iii) Gender Sensitive Water Conservation and Management
- (iv) Traditional Foods for Women and Children in Tribal Areas

The detailed calendar of suggested activities for the Poshan Maah is enclosed.

4. In this regard, a meeting was held on 05.08.2022 with Partner Ministries/Departments to sensitise the Partner Ministries about the themes and the activities/events to be held during the Rashtriya Poshan Maah 2022.

5. In order to make the Rashtriya Poshan Maah a grand success with the support of all the stakeholders, I request that necessary preparatory activities may be initiated. Further, valuable inputs / suggestions on activities to be conducted during the Poshan Maah 2022 may be shared with this Ministry in the following email id, reshma.nair@gov.in. I am grateful for your constant support in the endeavour to realise the goal of a 'Suposhit Bharat'.

With Regards,

Yours sincerely
