Title

Regular practice of Suvarnabindu prashan prepared in Ayurvedic Rasashala nand annual schedule is provided to beneficalials .

Objectives

- 1.To Organise Suvarnabindu Prashan Camp for children as per guideline of Ayush Department.
2. To improves immune system, physical strength and digestion power.

The Context

Institute organises Suvarnabindu Prashana Camp for the children aged 6 months to 16 years on Pushya Nakshatra of every month.

It's administration helps to achieve developmental milestone in children and better intellect in younger children.

The Practice

A specially prepared Schedule card is given to remind parents about upcoming dates of Camp. The contact number of every parent is noted down to contact them if they missed the date.

In order to continue the practise uninterrupted, the Suvarnaprashana is prepared prior to the Camp date. On the day before camp, honey is mixed and well stirred to homogeneous mixture and poured into the droppers. To administer drops of Suvarnabindu easily to children these droppers are used under all hygienic precautions .

Evidence of success

This practice has improved the awareness in every parent about their ward's health.

From January to July 2022, 180 children were benifited.

Problems encountered –

Due to pandemic ,response of parents is minimized.
