Parent Teacher Association

Aims and Objectives:

- To promote connections and communications between parents and college and to establish a partnership between them.
- To promote the development in academic performance and the physical and mental health of students through close home-college co-operation
- To develop the potential of parents and to strengthen their relationship with their children through planning and conducting a variety of developmental and recreational activities
- To help parents to better understand their children's needs and to arouse their interest and involvement in youth policy through parent education.
- To provide a channel for both parents and the college to exchange opinions concerning college policies for promoting the development of the college.
- To provide support for college events and other special occasions.

Kanchanwadi, Chhatrapati Sambhajnagar.

Purpose of the meetings:

- Teachers will give factual information to parents based on their records to date.
- Parents hear how their ward is progressing in all subjects. This includes areas of success and
- areas that need improving.
- Parents learn how they can best support their wards education at home & college.
- Parents share their expectations for their ward with teachers.
- Relevant personal information can be shared by parents to concern teacher guardian for better understand and support the students in college.

Expected Outcomes:

- Parents have factual information to discuss with their ward in order to help him/her do better in college.
- Students get more support from teachers and parents as a result of information sharing at the meeting.
- Other supports (if required) are put in place for the students.
- Student's academic and social work will improve.
- Students reach their academic potential and get maximum benefit from their time in college.
- Parents and teachers support each other's work for the benefit of the students.
