(Recognized by National Commission for Indian System of Medicine, Ministry of AYUSH, Govt. of India, New Delhi & Affiliated to Maharashtra University of Health Sciences, Nashik.)

Key Highlights:

Expert Lectures: The workshop featured insightful presentations by renowned experts, Dr. Suchita Daokar and Dr. Yogesh Bhosale.

Dr. Suchita Daokar provided a detailed overview of copyright laws, emphasizing the importance of protecting original works of authorship, including literary, artistic, dramatic, musical, and other intellectual creations.

Dr. Yogesh Bhosale focused on utility and design patents, explaining the criteria for patentability, the application process, and the benefits of obtaining patent protection for innovative inventions and designs.

Interactive Sessions: The workshop included interactive sessions where participants had the opportunity to ask questions, engage in discussions group activity, and clarify their doubts regarding IPR concepts.

High Participation: A total of **132 participants**, including PG , PhD students students and faculty members, actively participated in the workshop, demonstrating strong interest in the topic. After immediate completion of workshop , distribution of online certificate done

Impact:

The workshop proved to be highly informative and beneficial for all participants. It enhanced their understanding of IPR concepts and their significance in academic and professional domains. Furthermore, the workshop encouraged participants to explore opportunities for protecting their intellectual creations and leveraging IPR for personal and institutional growth.

Thank you .

Sincerely,
