8.1.1 Integration of different systems of health care in the teaching hospital.

Since the Chhatrapati Shahu Maharaj Shikshan Sanstha's Ayurved Mahavidyalaya, Rugnalaya is treating patients of acute and chronic illness like CKD, Stroke, Acid Peptic disorders, Cirrhosis of the liver, autoimmune disease, Ulcerative colitis, Arthritis, Ascites etc. Many times, it is required to manage such patients, for that the institute is integrated with the other system of health sciences like conventional medical sciences, Yoga, Physiotherapy and special Panchakarma unit etc.

The institute plans and conducts Yoga sessions for the patients who are availing treatment in the hospital.

These sessions include the meditation therapy, Yogasana, Pranayama which are beneficial for the recovery of the patients who are availing the treatment in the hospital. Qualified Yoga instructor is available for conducting these sessions. NSS (Rashtriya Seva Yojana) unit of the institute conducts awareness programs for nearby rural areas.

Institute has full-fledged Physiotherapy Unit for adult and pediatric patients with availability of qualified physiotherapist. For the patients suffering from Arthritis, Cerebrovascular accidents, Musculoskeletal disorders and many Neurological conditions.

Institute has provision for handling emergency medical treatments. Expert physician and surgeon of modern medicine (Allopathy) are available for handling emergency conditions like Hyperglycemia, Uncontrolled Hypertension, Acute conditions and various emergencies. Well-equipped ambulance along with trained staff in basic life support is round the clock available in the campus for facilitating quick transfer of the patients who has developed life threatening medical condition.

The Rugnalaya is having well equipped radiology department with facility of non-obstetric U.S.G and digital X-ray unit with Radiologist.

The Ayurved Mahavidyalaya, Rugnalaya is having M.O. Us with various multispecialty hospitals.
