PROCEDURE FOR WRITING OFF THE COST OF ARTICLES PURCHASED
FROM NSS SCHEME

1. The Principal of the college to which NSS Units are sanctioned should order physical verification of the articles of dead stock and other equipment purchased out of the Govt grants, to be carried out annually, before the close of the financial year. An **annual certificate of physical verification** should be submitted to the University in the first week of April, in the following form :-

"The articles of dead -stock and other equipment purchased from NSS grant have been physical verified by me between 01 April to 31st March, with reference to the entries of purchases made in the stock register. These articles, except those mentioned in statements (A), (B) and (C) attached herewith, were found to be in the working order and were being used for the purpose they were intended for".

2. **Statement 'A'** to be attached to the certificate should include articles, which have become unserviceable due to their usage and fit to be condemned and removed from the stock register. These statements should be carefully scrutinized in the University office and necessary permission to write off these articles should be granted to the colleges concerned. The colleges concerned will be allowed to remove such articles from the stock register, sell them and credit the sale proceeds to the University NSS Fund. The credit of the sale proceeds of the unserviceable articles should be entered in the appropriate column of the register.

3. **Statement 'B'** to be appended to the certificate will include list of missing valuable articles which are found missing through fraud or negligence. A register should be maintained for keeping an up-to-date record of the recovery of the cost of the articles reported to be missing/deficient.

4. The principal of the college is authorized, after necessary investigation, to write off the missing and unserviceable articles costing less than Rs. 100/-, by sending necessary report of investigation simultaneously to the University.
