**2.5.1 The Institution adheres to the academic calendar for the conduct of Continuous Internal evaluation and ensures that it is robust and transparent.**

#### Response

CSMSS Ayurveda College is affiliated by Maharashtra University of Health sciences, Nashik. University communicates its colleges regularly regarding yearly evaluation process. The principal of Institute circulates all the Evaluation related information from MUHS to all the departments.

Institute held total 2 - 3 internal examinations before University examination.

| Year     | Number of internal exams |
|----------|--------------------------|
| 1st year | 2                        |
| 2nd year | 2                        |
| 3rd year | 2                        |
| 4th year | 3                        |

The marks of internal assessment are displayed on the notice board. Students are shown that separately with their sign individual. Institute follows the university guidelines. Teachers of institute also held surprise tests in classroom in different forms which gives good practice. On the basis of results slow and advance learner students are identified and special tasks given to the students by the department for their better performance. (For ex. SAQ, LAQ Shloka elocution etc.) There is also Teacher Guardian scheme in the college for guidance of students.
