## CODE OF CONDUCT FOR ETHICS IN RESEARCH

### **Research Activities carried out in the institute-**

1. The institute is having IEC under the chairmanship of Prof. Dr. S. C Bhoyar since 2012.
2. 10 to 12 members are present in IEC from various fields.
3. Every year IEC scrutinize the research proposals of PG students to avoid repeatation and plagiarism.
4. All the department Heads, guides and staff members of various departments critically scrutinize the proposals submitted by scholars.
5. Committee is having control over the research activities and guide the investigators time to time.
6. Record of all the research proposals is maintained in separate register.
7. IEC takes undertaking from students regarding plagiarism, malpractices and duplication (Repeatation) of research studies.
8. IEC is deeply concerned with the benefits of research participant and protects all the rights, asks the researcher to maintain dignity of the potential participants.

## CERTIFICATE

This is to certify that, this **Institutional Ethical Committee Register** of Chhatrapati Shahu Maharaj Shikshan Sanstha's Ayurved Mahavidyalaya, Kanchanwadi, Aurangabad which is duly signed & stamped. This registrar is **started from 14/02/2015**.

Page No. 01 To 32.

Hence Certified.

**Dr. S.C. Bhoyar**  
Chairman

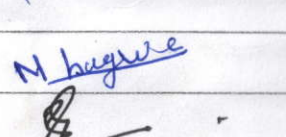

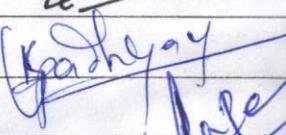

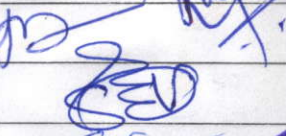

# IEC MEETING 2017-18

C.S.M.S. Approved College - Institutional Ethics Committee meeting was conducted under the guidance of Chairman Dr S.C. Bhoyar Sir, from 7th Feb to 20th Feb 18. All the 10 PG departments PG scholars presented their research proposals (synopsis) in front of Ethical Committee, also other faculties from various departments along with their HODs were present for these presentations.

The Committee critically assessed the research proposals & gave valuable suggestions & the students advised to submit their proposals with corrections & the following attached list of students & their titles was finalised by the committee.

- 5 PHD students also presented their protocols & approved by IEC unanimously on 14.2.2018

|     |                   |                          |
